## ABOUT KANIMBLA POLL HEREFORDS

Kanimbla Poll Herefords have been breeding Herefords for over 20 years.

When Kanimbla moved into the Holbrook district, NSW, in July 2007 it left behind the high country near Oberon. It also had a commercial stock and grain property just west of Forbes at the foot of the Gunning Range which it has since sold. In a private sale in 2008 Kanimbla purchased the Mount Raven Poll Hereford stud in its entirety bringing with it over 65 years of breeding through Mt Raven, Springfield and

cattlemen require, Kanimbla must maintain highly efficient females. This enables it to use sire selection to create the appropriate bulls to meet market.

The principals see cattle showing as a way of observing trends in seedstock and as a reference point with how the Kanimbla herd is developing. Kanimbla has enjoyed many great successes including past Supreme Poll Hereford exhibits at Sydney Royal, Melbourne Royal, Canberra Royal, Rocky Beef and Brisbane Royal and Interbreed

Bahroona studs. This purchase brought into Kanimbla many well-known and reliable cow families to augment those already developed within Kanimbla. In January 2015, Kanimbla Partnership changed to a unit trust with the trustee being Kanimbla Livestock Pty Ltd. The principals from that day became Mike Todd, Mark Baker and James and Belinda McWilliam.

Kanimbla's philosophy is to breed cattle with good temperament, sound structure, big carcass shape and capacity. To do this it sources genetics from around the World and predominantly from Australia, New Zealand and the United States. In order to provide bulls that meet the different specifications that

Champion at Sydney, Melbourne and Bendigo Beef Expo. Kanimbla females have been in the Miss World Hereford competition 4 out of 5 years.

Kanimbla held its first sale in 2005 at Oberon and has held a sale each year since then. The sale is always on the first Thursday in September. We also sell elite registered females at our sales

Kanimbla bulls are now in Qld, SA, Vic, NSW and Tasmania. In the last few years progeny of Kanimbla bulls have topped the markets in Wodonga, Yea and Carcoar amongst others. For 3 of the last 5 years, Kanimbla progeny have won best presented at the annual Wodonga weaner sales in January.
