

NUTRIEN AG SOLUTIONS®

BASIS XC RETURN ON INVESTMENT GUARANTEE 2020

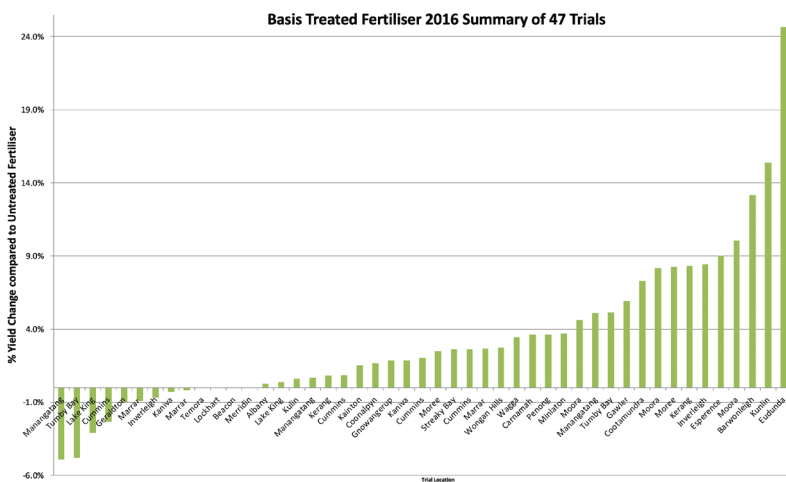

With Basis® XC treated fertiliser applied to over one million hectares in recent years, Nutrien Ag Solutions is so confident you will see a positive return on your Basis® XC investment, we are prepared to back it up with a performance guarantee.

Basis[®]XC

THE OFFER

Purchase your Basis® XC applied fertiliser, provide a check strip without Basis® XC and compare your yield at harvest. If the Basis® XC treated area does not provide a greater financial return per ha than the untreated area above the increased cost per ha of coating your fertiliser with Basis® XC, then Nutrien Ag Solutions will provide the same quantity of Basis® XC applied to your fertiliser next season, at no cost.

THE RESULTS – average yield increase in 2016

HOW CAN YOU PARTICIPATE?

Participants agree to the following parameters:

1. Only the labelled rates of Basis® XC must be used (2L/MT) – failure to do so will render you ineligible for this offer.
2. A test strip (without Basis® XC) must be planted on comparable soil types, at the same time, with the same planter, fertiliser rate, seed variety, seed treatments and paddock history, to compare yield data at harvest. The same post emergent crop protection and nutrition programme must also apply.
3. Each area (with and without Basis® XC) to be flagged to separate the two treatments.
4. Crop must be harvested, and yield results submitted by 31.01.2021 or later with prior approval, using the online registration tool at <https://www.nutrienagsolutions.com.au/our-range/farm-supplies/fertiliser>
5. Yield data must be reviewed and verified by Nutrien Ag Solutions following submission, prior to this offer being honoured.
6. Crop type must be; canola, wheat, barley, chickpeas, lentils, lupins, oats, faba beans.
7. In the event of force majeure or if the crop is cut for hay, this offer does not apply.
8. If the Basis® XC treated area does not provide a greater financial return per ha than the untreated area above the increased cost per ha of coating your fertiliser with Basis® XC, then Nutrien Ag Solutions will provide the same quantity of Basis® XC applied to your fertiliser next season, at no cost.
