### 34 Special Flock Rams

View individual videos: [www.valma.com.au](http://www.valma.com.au)

These are the rams that just missed out on making our Stud Ram line up. They have excellent Lambplan figures, and structural soundness.

Rams will be delivered to our base at Kyneton. From there we can help arrange deliveries according to State Covid 19 restrictions at the time.

The **Figures in yellow** show traits that are in the top 10% of all terminals born in 2019.

Our aim is to produce a consistent product to all our stud and commercial producers. We aim to try new relevant sires so we will always be offering our clients the most options available. By running 550 stud ewes this gives us the opportunity to test our own sires against the best in Australia via AI. We are very pleased that the flock rams we are offering are by a number of our own sires.
