Dear lamb producer and valued client,

The Warrawindi Farms team invites you to inspect our 2020 offering of over 400 maternal and terminal rams. These rams are designed for maximum paddock production and premium industry carcase value.

Friday 9th of October 2020

Inspections from 9am

Maternal Sale - Starting at 10am

Lunch Break

Terminal Sale - Starting at 12:30pm

rma network Associated Member

AuctionsPlus

The Maternal sale will consist of 20 Warra-M Border Leicesters and 100 ultimate maternal Border Leicester X East Friesian rams.

The Terminal sale will consist of 25 Warra-J Suffolks, 6 Stud Poll Dorset rams and 250 Poll Dorset flock rams. The offering consists of rams to suit all requirements from ewe lamb mating, domestic and super heavy weight export.

TDC and Nutriens will once again conduct sale proceedings and are happy to help with ram selections and ram bidding. This year we are introducing Auctions Plus, this solves any complications with covid restrictions if you are unable to make sale day. The Galpin Family are extremely proud to offer our 2020 line up of rams to you. Any enquires please contact us.
