ENNERDALE HEREFORDS

The Luckock family's association with Hereford cattle goes back long before the Ennerdale Herd and Stud were founded in 1939 and 1943 respectively. Great great grandfather William Weatherly purchased 47 stud cows with mostly heifer calves at foot at the famous Tocal Dispersal in 1901, on account of the trustees of the late Mr F. S. Reynolds. Unfortunately the pedigrees were not kept and these cows became the foundation of the Colly Creek herd. Prior to this he had purchased the property Colly Creek at Willow Tree in NSW in 1897. Colly Creek was originally owned by the late Mr Andrew Loader, who's family were among the first to breed Herefords in Australia.

The Colly Creek stud was founded in 1916 with the purchase of a number of females at the Duninald and Tocal Dispersal sales. These were from the noted Minerva, Fancy, Chloe, Prudence and Matchless families and were sired by mostly imported bulls. Great grandfather Lionel Weatherly ran Colly Creek for many years with the help of his manager Mr Jim Tanner and his son Craig. Between great grandfather and Mr Tanner they imported numerous bulls and females from England which were to have a profound influence within the stud, their success in sale and showings and upon the Hereford breed. They included Neuadd Chief, Vern Voucher, Marlow, Debit, Field Admiral, Rose Bargee, Sugwas Pearl 3rd, Sunbeam and Sunlight. Sadly, but understandably the Colly Creek Stud was dispersed in 1955, when it was at it's pinnacle.

From Colly Creek came the foundation of Ennerdale Herefords and the Luckock family today are extremely grateful to our forebears: great great grandfather William Weatherly, our great grandparents Lionel and Faerlie Weatherly and their daughter Jean and son in law Charles Luckock for the opportunity they have provided us. Ennerdale today operates as a family unit with three generations of the family working the property: Chris, his children Kate and James and his grandson Tom. Chris' other daughter Jane and granddaughter Sophie who is currently studying Veterinary Science, assist during holidays.

The aim at Ennerdale is to keep all operations as simple as possible and livestock must be easy care with low maintenance requirements. Ennerdale is currently operating with 300 cows plus heifers, 11,000 fine wool Merinos, 300 acres of hay production and an Arabian horse stud consisting of 35 horses on 4,250 acres. Thus, our cattle have to perform under competition and are widely regarded for their constitution when seasons are tough. In maintaining a commercially focused and competitive operation, the stud breeds for structure, performance, temperament and constitution.

Descendants of the Colly Creek female families provide the nucleus of the stud today. Over the years the stud has invested heavily in stud sires from South Boorook, Ardno, Lowanna, Hobartville and Yarram Park, followed by semen shares in sires from the Rocky Haven Hereford Ranch in Canada and the Smithston Stud in NSW. The Poll Stud commenced in 2001 via embryo transfer programmes utilising our top horn cows as donors. The purchase of Wiriyanya Princess U71 with the Charnock stud for \$16,000 proved to be a valuable addition to the development of the Poll Stud. The Allendale stud has also made a significant contribution, as did Guilford Future from the Guilford Stud in Tasmania.

We had some pleasing results in the show ring with Scandal's Senior Champion in Sydney following his Senior Champion in Melbourne in 2000 being the highlight. Despite other championships in Melbourne E. Fiddler's 5th place in a very strong class of 39 bulls at the World Hereford Conference in Sydney in 2004 was also considered another memorable occasion. Ennerdale hasn't shown since 2004.

More importantly our bulls have performed in the paddock. Over the years we have enjoyed some successful associations with our client's calves topping the Hamilton and Birregurra weaner sales. We have appreciated and enjoyed the long association we have had with some of our clients, with our longest standing client being the Kenna family from Cliffney Park, who have been purchasing bulls from Ennerdale for 59 years.
