

## MUCHEA CATTLE REPORT 3<sup>rd</sup> MAY 2021

Nutrien Livestock reports 1573 cattle sold at Muchea Monday 3<sup>rd</sup> May with 110 of these in the calf sale.

The yarding was very mixed in quality and started with slaughter bulls meeting strong competition and gaining fully 10c/kg for locals and best heavy pastoral bulls up to 30c/kg higher. All young bulls were fully firm.

Young local steers and heifers were equal. There were more light pastoral steers available and these lifted up to 30c/kg depending on type. The few trade cattle penned remained equal. Cow numbers again were low and values across all grade were firm.
