

MUCHEA CATTLE REPORT 13th September 2021

Nutrien Livestock reports 1539 cattle sold by Nutrien on Monday the 13th September 2021 with 272 of them being sold in the calf sale. Again, this week the yarding was dominated by Pastoral types. Quality was equal with the number of cows and trade cattle reduced this week. The heavy bulls started with a 5-8c/kg lift to sell up to 368c/kg. Whilst there were limited numbers of local trade cattle for sale, the run of heavy pastoral steers reached a top of 434c/kg to remain equal. Local steers to feed were up 10c/kg and the lighter types to the paddock remained equal. All heifer values remained equal. Light local bulls presented this week and sold up to 607c/kg whilst the pastoral types at the lighter weight made up to 568c/kg all other weights and breeds remained equal. Cows were a highlight of the sale with heavy pastoral and local cows lifting up to 10c/kg to reach 372c/kg. Medium and lightweights also remained fully firm.
