

MUCHEA VEAL REPORT 13th September 2021

Today Muchea agents yarded a total of 272 calves and Nutrien Livestock selling 158 of them.

Numbers lifted dramatically this week with an uplift in price obviously drawing lighter weight calves forward for sale. Again, it was dominated by pastoral bred calves and competition remained firm.

Pastoral bull calves selling up to \$855 whilst the heifer portion sold to \$890. Both graziers and butchers were strong on both categories. One line of light Angus steers sold back to a grazier at \$800.
