CATTLE HEALTH:

- All sale bulls tested negative for pestivirus.
- All sale bulls vaccinated 7 in 1.
- All sale bulls have been semen tested (Mid December 2021) by Drew Pickford Nationwide Artificial Breeders and passed to a minimum standard for natural service.
- Adameluca Angus is a J-BAS 6 Herd.

INSURANCE:

We recommend you insure your new investment, at least for transit and loss of use for the first joining season. Please see Agents for any insurance requirements.

GUARANTEE:

In the event of a bull proving to be infertile for natural service in the first 6 months from sale date, the vendor will offer to supply a suitable replacement (if available), or credit the purchase price (less any salvage value of the bull) to be used at the next sale. This is provided the problem is not caused by injury or disease since sale day. Any claim must be accompanied by a relevant Veterinary certificate.

INSPECTION:

Bulls are available for inspection at Beef Week Field Day, Sunday 30 January 2022 from 9:00am - 5:00pm, or from 10:00am Sale Day.

Inspection can also be arranged by appointment, contact Sam.

SAFETY:

All Sale bulls have been screened for safety and are quiet to handle under normal circumstances. However, sale day places added pressure on them, so use caution and be alert of fighting bulls. Visitors enter cattle pens at their own risk, Children must not enter the yards.

TELEPHONE BIDDING:

If you would like to bid by phone, contact the agent of your choice, no later than 8pm Thursday 24th February 2022.

TRANSPORT:

No transport will take place on Sale Day unless organised prior with Sam. Remember on arrival at your property you should have a few steers or cows in the yards to help your new bull settle in.

OUTSIDE AGENT:

2% Rebate paid to outside Agents, introducing buyer, in writing, and settling within 7 days.

Disclaimer: Any persons entering this property for any purpose whatsoever including the attendance at cattle auctions do so at their own risk. We are not liable to you for any personal injury or death suffered by you and for the theft, loss or damage to any property caused or contributed to by us or by negligence deliberate act or unlawful conduct. "We" or "us" or "our" refer to the owners their employees contractors or agents and each of them. Whilst all care and attention has been paid to the accuracy in the compilation of this catalogue, neither the vendor nor the agents or representatives thereof assume any responsibility whatsoever for the correctness use or interpretation of the information included in this sale catalogue.

MORE PHOTOS

We are pleased to announce our new sire, Milwillah Slideshow Q102. We admire this bull's carcass quality, perfect structural scores for feet and legs and his good spread of data.

What an exciting time to be in agriculture. Despite Covid's strenuous challenges, it has been a remarkable season across the board, as well as record high livestock prices.

This year's bull sale comprises of 11 sires over 43 bulls offered. Our old faithfuls in Landmark, Luskin Star, Identity, Leader as well as some homebred sires.

We also have some interesting AI sired progeny for your inspection.

FEMALE REDUCTION SALE

This Autumn we will be having a female sale (late March) so stay tuned.

We look forward to catching up with you all on sale day.

Regards,
Sam Trovarello and the Adameluca Team

Attention Buyer

Animal details included in this catalogue, including but not limited to pedigree, DNA information, Estimated Breeding Values (EBVs) and Index values, are based on information provided by the breeder or owner of the animal. Whilst all reasonable care has been taken to ensure that the information provided in this catalogue was correct at the time of publication, Angus Australia will assume no responsibility for the accuracy or completeness of the information, nor for the outcome (including consequential loss) of any action taken based on this information.

Parent Verification Suffixes

The animals listed within this catalogue including its pedigree, are displaying a Parent Verification Suffix which indicates the DNA parent verification status that has been conducted on the animal. The Parent Verification Suffixes that will appear at the end of each animal's name.

The suffix displayed at the end of each animal's name indicates the DNA parentage verification that has been conducted by Angus Australia.

PV : both parents have been verified by DNA.
 SV : the sire has been verified by DNA.
 DV : the dam has been verified by DNA.
 # : DNA verification has not been conducted.
 E : DNA verification has identified that the sire and/or dam may possibly be incorrect, but this cannot be confirmed conclusively.
