**STAR BREEDER PROGRAM**

GIVING CONFIDENCE TO BREEDERS AND BUYERS

**Lot 3 Wattlewood Rebound R20** is in the top 2% for multiple indexes whilst in the top 6% of the Angus breed for all indexes. Rebound boasts a Birth Weight EBV of +2.6 and is +132 600 Day Weight. A soft bull with impeccable structure.

## Nutrien

**Lot 7 Wattlewood Roger That R8** has been around 130 kg heavier than his class mates at every weigh day. Roger That has tremendous frame, stands on very sound feet and legs and has exceptional length. His 200, 400 and 600 Day Weight EBV's are in the top 8% of the Angus breed, while his Net Feed Intake EBV is the top 1%!

**ALEX SCOTT  
AND STAFF**

Est. 1886

**Lot 12 Wattlewood Rapid Fire R43** is set to be a calving ease specialist with a birth weight EBV of 1.1 and Calving Ease Direct of +9.8 Both these traits in the top 4% and then adding to this, his Angus Breeding Index of +\$270 which is in the top 3%.
