Dear fellow cattle breeders,

Welcome to our 10th Annual Bull Sale, being held at “Glendan Park” on Friday 24th February 2023 starting at 1:00pm.

2022 was another excellent year for cattle prices in the saleyards, on property and through online sales, even with the EYCI coming off record highs. With old bulls still making great money, it is important to continue to invest in quality genetics.

It is with great pleasure that we offer 47 Horn and Poll Hereford bulls.

We highly recommend your inspection as we feel this year’s bulls are the best sale draft we have offered. We believe the sires represented in this catalogue are some of the best in the Hereford breed.

#### **Why a Glendan Park Bull?**

**Proven Genetics** from a cow herd of 200 breeders that work hard under testing conditions, combined with investment in top sires for over 33 years.

**Performance recorded:** weighed from birth – 600 days, all cattle (Bulls and Heifers) are scanned for EMA, Fat, IMF, giving you the full performance picture. All bulls in this year’s sale have been sire verified, have a genomic profile and are free of known genetic conditions.

**Maternal Strength:** We have been focussing on the maternal strength of our herd and it is evident through the heavy 200 day weight of our calves, but also on Breedplan. 33 Glendan Park cows are in the Top 1% for Milk.

**Affordable:** Glendan Park Sale Bulls averaged \$12,869 in 2022. Considering steer weaners are making around \$2000 each, this works out to approximately six steers for a new sire.

**Bulls to suit your program and market:** There are bulls on offer that will suit many different markets, from the vealer, supermarket trade through to EU. This year we are offering a select few bulls suitable for joining to heifers, most are heifers first calves, by low- moderate birthweight bulls, and unassisted at birth.

**They breed on:** Over the last 30 years we have sold bulls to repeat clients, both stud and commercial, to most States of Australia (all except WA and NT) and New Zealand and we have been proud of their ability to breed on. We are pleased to see Glendan Park genetics perform in vast geographic locations, being amongst the top pens in weaner sales, and seeing their females produce quality cattle.

- **Semen Tested**
- **Guaranteed**
- **Pestivirus Free**
- **Vaccinated 7 in 1**
- **Quiet Temperament**
- **Free Delivery on route to Wodonga, Casterton and Bairnsdale: Feel free to discuss transport with us.**

I would like to thank Alicia and our staff Andrew Green and Beau Kriewaldt for their effort and support.

If you have any questions about selecting a suitable bull for your program or would like to inspect the bulls before sale day, feel free to give me a call on 0419 191 193, Alicia on 0400 885 731, or Andrew Green on 0427400 337.

We look forward to seeing you on sale day. If you cannot make it on the day you can bid via AuctionsPlus or your preferred agent to secure a bull.

*Regards,*  
Alvio Trovatello

# Our History...

Glendan Park Herefords was established by the Trovatello family in 1989, with the purchase of 50 stud breeders from the Ballina and Lowanna stud dispersals. We have steadily increased the numbers and quality of our herd with additions from various Studs, including: Widgiewa, Smithston, Bolong, Zum Park, Dunoon, Llanglothan, Injemira & Coora.

In 2004 Poll Herefords were introduced, breeders sourced from Llandillo, Bowen, Tycolah, Burando, O'Sullivans and Charnock Studs.

We are currently running 200 breeders.

It has always been our aim to produce cattle of the highest quality, with extra growth, muscling, milking ability, without sacrificing good structure. We are always striving to optimise performance and carcass traits without having detrimental effects on the function of the female herd. We aim to breed a herd of females that are well structured, fertile, with good milking ability, good feet and good udders.

Breedplan is used as a breeding tool, to help optimise performance. We have been performance recording with Breedplan since 1990, scanning all bulls and heifers for EMA & IMF since 2001. However, visual assessment of structure and quality is not overlooked in the pursuit of higher EBV's.

Substantial AI & ET Programs have been used in the last 24 years and have had a significant impact on the progress and quality of our herd.

*The most pleasing part of Stud breeding is seeing your bloodlines "breed on", we have been fortunate enough to see our bulls "go out and do a job", in all parts of Australia and New Zealand, for both Stud and Commercial herds.*

# Sale information

## • CATTLE HEALTH:

- All sale bulls tested negative for pestivirus.
- All sale bulls vaccinated 7 in 1, and Pestiguard
- All sale bulls have been semen tested (Mid December 2022) by Drew Pickford Nationwide Artificial Breeders, and passed to a minimum standard for natural service.
- Glendan Park is J-BAS Score 6 for BJD.

## • BREEDPLAN

Sale bulls (and their siblings) have been measured for a minimum of:

- Birth weight, 200 and 400 day weights recorded
- Scanned for EMA, Rib Fat, Rump Fat, IMF
- Scrotal measurement.

By recording scans on all progeny (bulls and heifers) we feel the data is more valuable, especially when looking at particular Sires, etc.

## • HORN / POLL DESCRIPTION:

Horned and Polled Bulls are running together. All information is in Catalogue, i.e.:

(H) - Horned

(P) - Polled

(PP) - Homozygous Polled

(S) - Scurred

(H#) - Horned with Poll genetics in pedigree

## • GLENDAN PARK GUARANTEE:

In the event of a bull proving to be infertile for natural service in the first 6 months from sale date, the vendor will offer to supply a suitable replacement (if available), or credit the purchase price (less any salvage value of the bull) to be used at the next sale. This is provided the problem is not caused by injury or disease since sale day. Any claim must be accompanied by a relevant Veterinary certificate.

## • TRANSPORT:

No transport will take place on Sale Day unless organised prior with Alvio. Remember on arrival at your property you should have a few steers or cows in the yards to help your new bull settle in.

## • INSURANCE:

We recommend you insure your new investment, at least for transit and loss of use for the first joining season. Please see Agents for any insurance requirements.

## • CATERING:

Complementary morning tea and lunch will be provided.

## • ACCOMMODATION:

There is accommodation at Kyneton and Heathcote, if required please contact Alvio for assistance.

## • INSPECTION:

Beef Week Field Day, Sunday, 29th January 2023 from 9.00am-5.00pm, or from 10.00am Sale Day. Inspection can also be arranged by appointment, contact Alvio.

## • SAFETY:

All sale bulls have been screened for temperament and are quiet to handle under normal circumstances. However, sale day places added pressure on them, so use caution and be alert of fighting bulls. Visitors enter cattle pens at their own risk. Children must not enter the yards.

## • AUCTIONSPLUS:

This auction will be interfaced with AuctionsPlus for those who will not be able to make the sale. For those participating in AuctionsPlus, please ensure you get your bids in early to avoid disappointment.

## • TELEPHONE BIDDING:

If you would like to bid by phone, contact the agent of your choice, no later than 8pm Thursday, 23rd February 2023.

## • OUTSIDE AGENT REBATE:

2% Rebate paid to outside Agents, introducing buyer, and settling within 7 days.

Disclaimer: Any persons entering this property for any purpose whatsoever including the attendance at cattle auctions do so at their own risk. We are not liable to you for any personal injury or death suffered by you and for the theft, loss or damage to any property caused or contributed to by us or by negligence deliberate act or unlawful conduct. "We" or "us" or "our" refer to the owners their employees contractors or agents and each of them. Whilst all care and attention has been paid to the accuracy in the compilation of this catalogue, neither the vendor nor the agents or representatives thereof assume any responsibility whatsoever for the correctness use or interpretation of the information included in this sale catalogue.
