JUDGES COMMENTS

Judges:

Mr Lou Morsch – Modiano Australia

Mr John McGrath – Nutrien Ag Solutions

In the past twelve months, since the previous Australian Fleece Competition growing conditions have been challenging in many wool producing areas. The quality of the fleeces on display is a real credit to the exhibitors, with both judges commenting that the depth of quality was the best they have seen in their time judging and the across the years of the competition.

Particular mention is to be made of the brightness and cleanliness of the fleeces. The entries in the stud sections are of a very high standard and the commercial fleeces are among some of the best that have been entered over the past 21 years of the competition. The eventual champion fleeces were standouts in their classes and in the ultimate final selection.

Some exhibits could have benefited from more care being taken in their preparation, with a stronger focus on skirting and checking for any faults. Any lack of attention to detail in the preparation of fleeces presented proved costly in the final score and ranking.

The judges would like to congratulate all growers who entered fleeces in the Australian Fleece Competition. It was an honour and a pleasure to judge and work alongside the organisers.
