

## BOYANUP TRADE SALE - MARKET REPORT

### 23rd January 2024 - By Chris Waddingham

Nutrien Livestock offered 288 of a total 500 cattle at Boyanup Saleyards this week. Cows dominated the quality with more available in this week's market. Values rose 5-10c/kg across medium and heavy weights. Plain cows lost value, although this was primarily quality driven. Prime heavy, yearling weight steers sold to 210c/kg, medium weights to 218c/kg and light weights to 234c/kg. Heifers were mixed in quality with a high of 182c/kg. Weaners were of mixed quality and weights. The market reflected this with heavier and good condition cattle of both sex attracting greater competition. Light and plain weaners were hard to sell with limited interest. Heavy bulls sold to 172c/kg, a rise of 10c/kg on last week.
