MURRAMUNGEE

ANGUS STUD

ANNUAL BULL SALE

12th April 2024

EST

1989

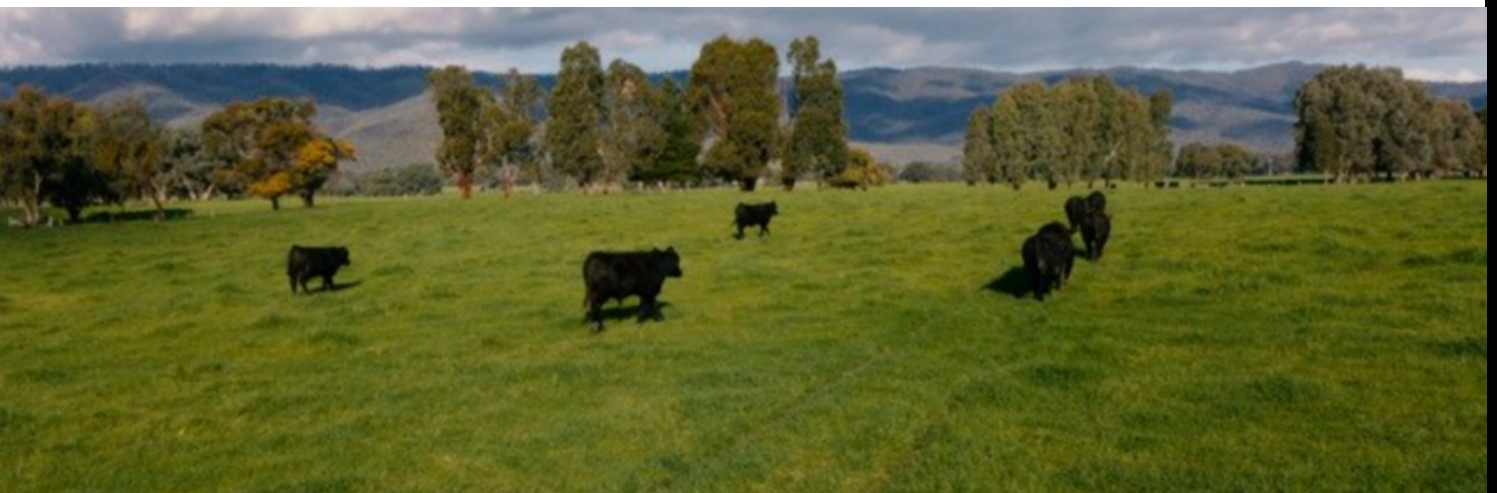

MURRAMUNGEE

A N G U S S T U D

THE FARM

Murramungee Angus Stud has been breeding premium Angus cattle since its establishment in 1989. Located in the fertile Murrumungee basin in the north-east of Victoria, the stud is renowned for its exceptional bloodline and progeny.

BREEDING PHILOSOPHY

Being a smaller herd, the breeders at Murramungee Angus Stud have the ability to make bespoke selections of the top-quality sires from around the world with their dams to produce superior genetics that are highly sought after by cattle producers. Murramungee Angus Stud bulls are known for their excellent structure, low birth weights, exceptional growth rates and beautiful natured bulls that are easy to handle. This makes them highly desirable in the cattle growers with no fuss calving and exceptional offspring.

This is your opportunity to visit the stud and purchase some of the best Angus genetics available.

OPEN FOR INSPECTION DAY

All Bulls will be available for pre-Auction inspection on the 5th of April from 9:00am to 11:00am at the auction site in Chinamans Flat Road, Murmungee. A walk amongst these boys will help build confidence in your Auction day purchases.

AUCTIONS DETAILS

This years auction will be held both live on the property, live on the AuctionsPlus® Online platform and with prior arrangement active phone bidding with the Selling Agent.

All Buyers wishing to participate in the property Auction must be registered with the Selling Agent ahead of the sale.

All Buyers wishing to participate in the AuctionsPlus® Online platform will only be able to place bids after completing the online registration process at:

<https://auctionsplus.com.au/>

Assistance in AuctionsPlus® registration is available from the Selling Agent.

Note: All Bulls are sold exclusive of GST.

BUY WITH CONFIDENCE

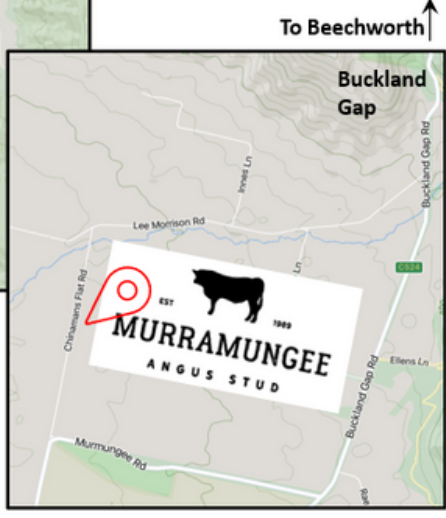

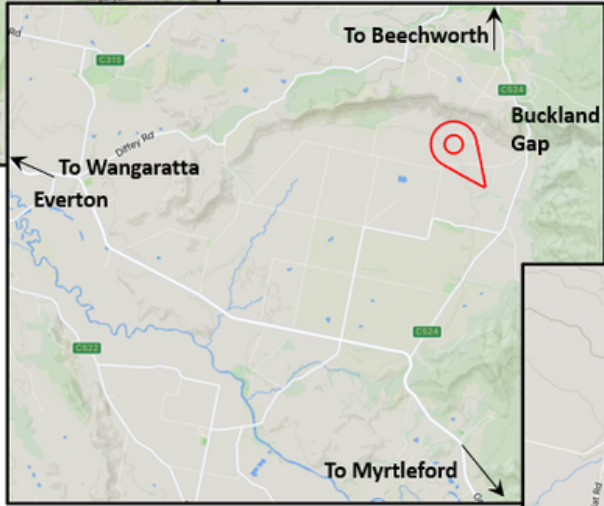

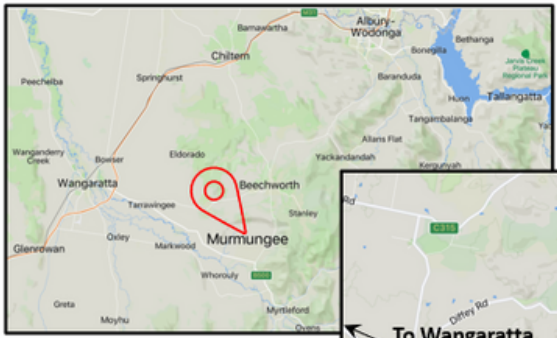

At Murramungee Angus Stud, we want customers to be happy with their purchases and confident with the upcoming breeding season. In order to do this we have taken the following steps to offer customers to ensure the best success with our bulls:

- All Bulls offered have successfully passed crush side semen motility testing (> 70% motile unless noted otherwise on individual animals); independently evaluated by Murray Valley Veterinary Services - Brad Goonan.
- All Bulls have been independently foot scored for structural soundness by Liam Cardile, the results reported on each animal within the catalogue.
- All Bulls have been vaccinated with Pestigard, Ultravac® 7 in 1 and double vaccinated with Vibrovax® ready for immediate breeding programs.

For our 18 month bulls we recommend not working them too hard for the first season (suggested limit of 30 females per bull).

Based on the above criteria, all bulls are guaranteed for 12 months from the date of sale for fertility and ability to breed naturally (excluding injury or diseases contracted post purchase). The guarantee will include reimbursement of the purchase price less the meat value or a suitable replacement bull as agreed by both parties - dependant on availability.

AUCTIONS SITE LOCATION

Auction Site: Chinamans Flat Road, Murramungee

Friday, 12th of April 2024 at 10:00am.

From: Beechworth:

Take the Buckland Gap Rd towards Myrtleford - 9km. At the base of Buckland Gap, 1st right down Lee Morrison Rd - 2.8km. Turn right into Chinamans Flat Rd and Auction site is 400m on your left.

From: Myrtleford:

Take the Great Alpine Rd towards Wangaratta - 11.8km, then turn onto Buckland Gap Rd - 5km. Turn left into Murramungee Rd for 2km before turning right into Chinamans Flat Rd and the Auction site is 1.5km on your right.

From: Wangaratta:

Take the Great Alpine Rd thru Everton towards Myrtleford and turn left down Bowmans Road - 34km. After 3.5km turn right into Murramungee Rd. Continue on this road taking a left hand turn and after 600m veer off the sealed road into Chinamans Flat Rd where the Auction site is 1.5km on your right.

TAILOR MADE BREEDING

BEST OF THE BEST SIRE BLOODLINES:

GB FIREBALL 672:

Rego No: USA18690054

Comments:

Used for calving ease and low birth weights with exceptional growth figures.

GAR ASHLAND

Rego No: USA18217198

Comments:

An extraordinary balance of calving ease, growth, marbling and muscle.

QHF WWA BLACK ONYX 5Q11

Rego No: USA18463791

Comments:

Unbelievably low birth weights with off the charts growth figures.

LANDFALL NEWGROUND N90

Rego No: TFAN90

Comments:

Well balanced EV's with positive fat, big scrotal and sound structure.

LOT 1 - MURRAMUNGEE SERENE S65

(AMFU, CAFU, DDFU, NHFU)

You want growth, structure, and frame size? Hard pressed to find better than razzle-dazzle. 200-600 top 1-2% whilst keeping standout leg structure. Large frame, long bull with top 3% carcass. Used for a two seasons as a follow up bull, A very quiet bull, very easy to handle.
