

MUCHEA CATTLE REPORT 06TH May 2024

Nutrien Livestock sold 665 cattle out of a total of 793 at Muchea Monday 6th May. Heavy cattle in general are getting scarce by the week and selling well to processors. The bulk of the yarding was made up on lightweight local and pastoral drafts of steers, heifers, bulls and cows. Heavy bulls were equal however, lightweight to live export and traders met subdued competition. Heavy local steers off grain sold strongly to 300kg and heifers 282kg. Local young steers 200-300kg were equal as were those 300-400kg. Local young heifers gained 10c/kg on quality. The few heavy local cows offered were fully firm with medium and lightweights equal.
