Muchea Cattle Report

Nutrien livestock sold 479 cattle out of a total of 663 at Muchea Livestock centre Monday 2nd September. Heavy local slaughter bulls gained 10c/kg under strong enquiry. Local and pastoral bulls suitable for live export and to feed generally sold in the 200-240c/kg range. Local yearling steers and heifers were very low in numbers and mixed in quality. Steers 300-400kg lifted slightly with heifers equal. Good lines of P.T.I.C Droughtmaster heifers from the Pilbara in the 300-400kg range met keen bidding to sell over the range of 260-298c/kg. Lightweights were mixed and realised 160-200c/kg. Heavy cows were few in numbers and topped at 246c/kg. Medium and lightweight cows were equal.
