Market Comment

Numbers eased this week for a total yarding of 396 cattle, with Nutrien accounting for 219 head.

The yarding was dominated by yearling steers & heifers, suitable for the feeders. Heavy Prime cows sold to strong competition by the processors.

A small offering of weaner steers saw values increase to top of \$4.10c/kg. An increased offering of quality yearling steers suitable for the feeders saw prices lift by 15-20c/kg.

Both light weight and feeder heifers remaining equal on last weeks values. Trade heifers over 540kg attracted strong competition by both feeders and processors, selling to a top of \$3.06c/kg.

Cows across all categories were equal on last week, topping at \$2.50c/kg. Heavy bulls suitable for the processors gained 10-15c/kg.
