## Muchea Cattle Report

Nutrien Livestock sold 922 cattle out of a total 1715 at Muchea livestock centre Monday 25th November. Numbers were steady from last week with most categories represented. Heavy local bulls fell 20c/kg to top at 190c/kg. Heavy pastoral bulls eased 30c/kg to top at 185c/kg. Best quality local cows eased 20c/kg to peak at 204c/kg with heavy pastoral cows also easing 20c/kg. Medium cows both local and pastoral fell 20c/kg with plain and light lines barely equal. Heavy local steers were well supplied and eased 5-8c/kg however heavy heifers lost 30c/kg. A good supply of local yearling steers and heifers generally eased 20-30c/kg with one volume buyer absent. The few pastoral young steers and heifers also eased in values under quieter competition. Young bulls suitable for live export were the highlight of the day with good quality lines lifting 60c/kg to top at 324c/kg. Pastoral Lines were too few to quote.

Next week Nutrien will be 2nd sale.
