## Market Report

Nutrien Livestock yarded 421 of a total 813 cattle at Boyanup this week. Heavier supply of forward store yearlings made up a significant part of our offering. Steers and heifers eased 5-10c/kg. New season's calves continued to be presented in good numbers. All classes of vealers lost 10-20c/kg on last market with reduced competition today. Cows and heavy bulls were fully equal and in short supply.
