## Market Comment

Nutrien yarded a total of 2,223 head for the Annual Nutrien Mount Barker Angus Weaner Sale.

An outstanding quality offering of weaners, of which had all been weaned a minimum of 10 days, vaccinated with Bovishield MH-One and weighed full curfew.

Steers dominated the yarding for a total of 2,013. An exceptional run of steers 380kg and heavier sold at rates 30-40c/kg dearer than the weekly weaner sale. The steers in the 280 to 380kg steers sold to very strong feeder and grazier demand to be 20-30c/kg up on the weekly market.

Weaner heifers in the 330-380kg weight range suitable for the feeders sold 20-30c/kg dearer than our regular market.
