Muchea Cattle Report

Nutrien Livestock sold 554 cattle of a total 1054 at Muchea livestock centre Monday 3rd February. Overall quality was greatly improved on last week. Local, heavy slaughter bulls lifted 2-6c/kg to top at 246c/kg. All other bull categories suitable for live export and feed were generally equal. Trade type steers sold to 290c/kg with heifers to 280c/kg. The quality of local steers, yearling and weaners, was down on recent strong presentation and values reflected this. Yearling and weaner heifers were much better quality and topped at 276c/kg. A very good pennig of local cows saw heavy and medium weights lift 10-16c/kg to top at 246c/kg with the few store cows offered remaining equal.
