Market Report

Nutrien Livestock yarded and sold 553 of a total 882 cattle at Boyanup. Heavy cows were greater in number and sold fully equal with a top of 238c/kg. Heavy bulls were also fully equal in value. Yearling steers were in shorter supply and quality was mixed, however yearling heifers were of good quality and sold to 10c/kg dearer. Unweaned calves were mixed in quality and values reflected this. Better types met solid competition, but plain steers and heifers were harder to sell. Steer vealers sold to 328c/kg and heifer vealers to a high of 286c/kg.
