Muceha Cattle Report

Nutrien Livestock sold 864 cattle out of a total 1264 at Muceha Livestock Centre, Monday 5th May 2025. The few heavy processor bulls penned eased 30c/kg. Trade weight steers and heifers 500-600kg were too few to quote. Local cows of all weight classes remained fully equal. Pastoral cows were generally of poor quality and lightweight, and sold to discontinued rates. Good numbers of local, good quality yearling steers over 400kg improved 20c/kg to top at 386c/kg. Local weaner steers 200-280c/kg lifted 10-15c/kg as did the 280-330kg bracket. All classes of local yearling and weaner heifers remained equal. Pastoral yearling steers in the 300-450kg range realised 320-370c/kg. The quality of the pastoral yearling and weaner heifers was very mixed and values were barely equal. Local feeder/live export bulls lifted 10-20c/kg whilst pastoral drafts in the medium to heavy weights eased 20-30c/kg.
