Market Report

Nutrien Livestock report 1477 cattle yarded at the Boyanup Dolly's Dream May Store Sale. A heifer donated by AC & MC Becker sold for \$3000/hd, with all proceeds going to Dolly's Dream and the Blue Tree Project.

It was a positive day for all breeds and classes of cattle seeing significant rises. Heavyweight beef steers above 400kg improved by 5-10c/kg selling to 392c/kg. Medium weights selling to grass and lot fatteners gained 25-30c/kg realising 418c/kg. A quality lightweight offering sold to 438c/kg, improving by 70c/kg on last month.

Heifers greater than 400kg sold to 334c/kg to gain 2-4c/kg and increased enquiry from buyers resulted in medium weight heifers improving by 20-40c/kg topping 372c/kg. Lightweight heifers were presented in mixed quality and sold accordingly. Those with greater confirmation realised 354c/kg gaining 70-100c/kg on last month's offering.

A good quality offering of first cross steers received increased enquiry. All weight classes gained on previous sales with 400 - 500kg selling from 324-368c/kg and light weights under 300kg realising 412c/kg. Medium weight friesian steers sold from 220-284c/kg gaining 30-60c/kg. Light weights under 300kg improved by 40 - 60c/kg on last month.

Cows & calves sold to a top of \$2600/hd, with a Herd Dispersal of Registered Angus Cows and calves selling to a high of \$3300.
