## Market Comment

Agents yarded a combined total of 1,218 cattle, with Nutrien accounting for 625 head.

The yarding consisted of mostly weaners and yearling cattle. A smaller offering of cows and bulls suitable for the processors were yarded.

Weaner steers values remained equal on quality. Weaner heifers eased by 5-15c/kg quality driven.

Yearling steers suitable for the feeders strengthened by 5-10c/kg. Yearling heifers were firm to 5c/kg dearer.

Trade steers were in short supply and eased by 10c/kg on quality. Trade heifers remained fully equal on the last weeks sale.

A very small offering of heavy prime cows for the processors softened by 5c/kg. Medium weight cows remained firm while store cows eased by 10c/kg.

Heavy processor bulls remained fully equal on last market.
