MARKET REPORT

Agents yarded a combined total of 573 cattle, with Nutrien accounting for 291 head.

A mixed quality yarding, with weaner steers and heifers in larger numbers. Trade steers and heifers were in short supply. Cows for the processors were in similar numbers and similar quality to last week.

Light weight weaner steers remained firm on last market's values. Heavy weight weaner steers for the feeders strengthened by 10c/kg.

Weaner heifers for the backgrounders remained firm on last weeks market. Heavy weaner heifers for the feeders were in short supply.

Yearling steers were in short supply remaining firm on last weeks values.

Yearling heifers 330 to 400kg remained firm, with the over 400kg heifers strengthening 5-10c/kg.

A small offering of trade steers remained equal on last market. Trade heifers for the processors gained on a small offering 20-30c/kg.

Heavy prime and medium weight cows were in similar volumes and gained 10c/kg, while store cows remained firm.

Heavy bulls for the processors softened.
