

GRACEMERE MARKET REPORT

SALE DATE 03 JUNE 2026

YARDING 894 TOTAL

Gracemere combined agents sold a reduced yarding of 894 head due to Mondays Weaner & Feeder Sale, consisting of 255 steers, 244 heifers, 325 cows, 38 mickey bulls, 25 bulls and 7 cows & calves. Today's Gracemere saw a significant reduction in numbers but still held strong results. The fat market saw a general lift, with southern processors creating strong competition against local market. The feeder market saw strong results. Heavy feeder heifers saw a strengthening, again with southern buyers propelling the job. Weaner cattle sold exceptionally well no matter the quality.
